

PARDON OUR CONSTRUCTION...

THE HART MUSEUM IS GETTING A NEW ROOF!

With the collaboration of the Los Angeles County Department of Parks and Recreation and the Natural History Museum of Los Angeles County, the William S. Hart Museum's mansion will be undergoing a re-roofing project this summer!

Due to the nature of this project, the Hart Museum's mansion (located atop the hill) will be CLOSED for the duration of the construction beginning July 26, 2010.

We anticipate the Museum reopening in October 2010.

You are still welcome to visit the Hart Museum's Ranch House located across from the Animal Barnyard. Visit the Ranch House exhibit of William S. Hart's film props, personal furnishings, and saddle collection.
